Udara Ranasinghe

Web Developer

Burnside, South Australia

I'm a creative and resourceful web developer with 2 years experience, seeking an entry level position as a programmer.

I'm experienced in developing websites with HTML, CSS, Javascript and PHP + MySQL as server-end technologies.

I love what I do and dedicate a lot of time on improving my knowledge and skill set.

Currently I'm pursuing a 6 month Coding Bootcamp course at Adelaide University which will be covering web technologies such as HTML5, CSS3, JavaScript, jQuery, Bootstrap, Express.js, React.js, Node.js, Database Theory, MongoDB, Command Line, Git.
